

# ResQMe™ [2 IN 1 Keychain Rescue Tool]

We, at nov8, are proud to provide ResQMe™, A Gift for Life made in USA. With over 5 years of experience, ResQMe™ brings a revolutionary alternative to the traditional emergency hammer.

ResQMe™ has already been very well perceived by the specialty stores, mail order catalogs and online companies that have proved ResQMe™ to be a great gift idea! This top rank item is a perfect impulse buy!

Certified and tested by reputable agencies, ResQMe™ is designed for retailers and mass merchants that are proactive with their customers by offering them some quality and original brand name products that they can trust. ResQMe™ is one of them!

We believe that including ResQMe™ an ingenious product made will result in more business in any retail product merchandising, while always being remembered. Built with an attractive profit margin, this is a great opportunity of offering ResQMe™ an amazing product that can save a life.
