RESCUE TOOL

When seconds count, reach for ResQMe (2-in-1 Keychain Rescue Tool). It features a spring-loaded steel point that can break tempered glass car windows and a protected stainless steel blade for cutting through seatbelts. Strategically placed to the belt or key saver, this break-apart tool allows it to be removed quickly for emergency use. Made in the USA, ResQMe's compact size makes it convenient to carry everyday. For more details call 888-343-8688; or go to www.resqme.com

PROTECTIVE TACTICAL ACCESSORIES

The daily grind on-duty is tough when having to deal with uncooperative perps, raging crazies, and vengeful teens. Protective Products' Tactical Accessories range of tactical body armor products safeguards your biceps, throat,

yoke/collar, groin, lower back, shins, head along with proper gear like equipment pouches, universal MOLLE load carriers, frag and bomb blankets, tactical plate harness and more. Learn how to shield against your everyday dangers with Protective Products, 1649 NW 136 Ave, Dept GW/LE, Sunrise, FL 33325; 800-509-9111; www.body-armor.com

WINCHESTER SXP DEFENDER

Winchester's SXP Defender pump-action shotgun features a fast rotating bolt system that locks up into a 3-inch chromed chamber. The 18-inch fixed cylinder choked barrel is also chrome lined and the stock and fore-end are composite with the barrel and receiver finished in matte finish. The magazine holds 5 rounds, and recoil is minimized by the amazing fitted Inflex Technology recoil pad. Find out more about the SXP Defender at Winchester Repeating Arms, 275 Winchester Ave, Dept GW/LE, Morgan, UT 84050; 801-876-3440; www.winchester-guns.com

IZLID 100P LASER

A more compact version of the B.E. Meyers's IZLID 1000P "Light Saber," the IZLID 100P, has a 100mW IR laser that is small enough to fit in MOLLE vests or BDU pockets and powerful enough to call in airstrikes or aim weapons over 2 kilometers. It's the perfect complement for a M4, M16, M2 or minigun. Check it out at B.E. Meyers, 6727 185 Ave NE, Dept GW/LE, Redmond, WA 98052; 800-327-5648; www.bemeyers.com
